**INTERNATIONAL TERRORISM: A EUROPEAN RESPONSE TO A GLOBAL THREAT? (PAPERBACK)****DOWNLOAD**

European Interuniversity Press, Belgium, 2006. Paperback. Condition: New. Neuausg. Language: English. Brand new Book. Is there a specifically 'European response' to international terrorism? Bringing together practitioners and academic experts this volume analyses the international context, threat perceptions and multi-dimensional nature of EU counter-terrorism measures. These cover legislative and operational measures, internal and international action and cut across all areas of EU responsibility and activity. A cooperative and coordinated system of national policies and anti-terrorism capabilities has been set up. However, the EU finds it easier to agree on objectives than on implementing them effectively. Of use and interest to students of European and international politics, to academics, journalists, civil servants and the general reader alike, the book critically evaluates the efforts of the European Union to protect European citizens against terrorism and to maintain a balance between the protection of its citizens and the protection of the rights and freedoms of the individual.
